I hope everyone is having a wonderful holiday season. We had a great Fall season at Chicopee Woods and it was great to see you all at the range. I'm happy to be able to offer increased technology at the teaching center with both Flight Scope and V1 teaching software. FlightScope measures club speed, ball speed, club path, face to path, launch

angles and more. I'm excited to have FlightScope here at Chicopee to understand your swing more definitively and therefore speed your progress toward a better swing and golf game. In addition, it is a great aid to help in selecting properly fit clubs, making your golf game enjoyable and more competitive. Please contact me at the Learning Center more info. 774-534-0512

JOIN CHICOPEE WOODS JR. PGA TEAM THIS FEBRUARY

I am very excited to start Chicopee Woods first PGA Jr. League team this Winter.

I look forward to welcoming kids new to golf and those also more experienced. I encourage kids to invite their non-golfing friends to join them on the team. Due to the scramble format, experienced golfers can be paired together with less experienced golfers in matches and have a great time learning and playing in a non intimidating format.

The schedule for our Chicopee Jr. League team will be weekly practices (TBA) and scheduled matches playing against other local area golf club teams. Home and Away matches begin April 1- July 31. The league is open to those ages 7-16.

Registration for the 2018 PGA Jr. League team begins February 1st. Contact me to reserve your child's place. john.blair@chicopeegolf.org or call 770-534-0512.

PRIVATE LESSON RATES

ADULT

1 hour: \$70

30 min: \$50

Lesson Packages available
